# School Superintendent's Report

---

To the School Board and Citizens of Shelburne:

Herewith is presented the annual report.

The village school began the year with a large enrollment. Boys 15, girls 17, Total 32.

This necessitated a new row of movable seats and room was made by moving the blackboard, thus giving valuable schoolroom space. This fall the shingling was completed but more work needs to be done to the ell of the building.

At Christmas the usual exercises were still further enlivened by generous gifts to the children from Mrs. Downing Potter Brown which were much appreciated. They also marked the close of the work of Mrs. Abigail Fiske as teacher, whose resignation went into effect at the close of the term.

We wish to express our appreciation of the years of service of Mrs. Fiske. The spirit of the school, the love of reading which was inculcated were invaluable. Gifts of summer residents, purchases by the School Board, and samples from the office of the Superintendent have given the school a good reading library. This year we have added the Book of Knowledge as there was a lack of reference books.

We were able to secure the services of Miss Edith Kane of Brooklin, Me., to complete the year.

Since my accident, I have been the recipient of favors of all kinds from the school board and pupils.

I wish to express my thanks for these and the hearty cooperation I have always had in administering the school in Shelburne.

Respectfully submitted,

GEORGE O. SMITH,  
Superintendent of Schools.
